- Infotainment

Summary

Skilled Video Editor and Motion Designer with more than a decade of experience in both visual effects and data-driven digital marketing campaigns. My experience is drawn from various areas such as performance advertising, SaaS and feature films. My core skills include the creation of high retention short and long form videos, UGC, YouTube content and high conversion paid social ads (Meta, TikTok). With an extensive technical background, I am able to infuse movies into my digital videos.

Work Experience

Video Editor, kandy for scale, Remote, Vilnius, Lithuania

11/2025 – PRESENT

- Crafting engaging UGC and high-performing paid ads for the US and UK markets on platforms like Meta and TikTok. Creating different versions, strategically adding AI avatars, b-rolls, automation and targeted hooks into social media and B2B content to optimize key metrics for performance.

Video Editor, Entri Software Pvt. Ltd., Kochi, India

11/2023 – 10/2025

- Handled post-production of the paid ad content for the SaaS platform. Worked on green screen compositing, motion graphics, sound design, and AI content creation for talking-head, play, and UGC videos.

FX Artist, Dneg India Media Services Ltd., Bengaluru, India

09/2022 – 08/2023

- I was part of creating dynamic FX simulations for Hollywood films, doing visual effects that blend into live-action footage with Houdini and Nuke.

FX Artist, Telikoz Infotech Pvt. Ltd., Thiruvananthapuram, India

03/2021 – 05/2022

- I designed simulations in Houdini and Cinema 4D to create medical animations and engaging educational content.

Motion Designer, Freelance, Kochi, India

09/2015 – 01/2021

- Alongside studies, I also worked with a number of agencies and clients. Involved in a variety of projects, including ads, music videos and films.

Graphic Designer, Indot Photobook, Kannur, India

07/2013 – 06/2015

- I specialised in wedding photobooks and a variety of print materials, ensuring each project was personal, elegant and polished.

Education

K R Narayanan National Institute of Visual Science and Arts, Diploma, Animation & Visual Effects, Kottayam, India

09/2015 – 12/2021

- This programme heavily influenced my artistic abilities, combining the fundamentals of film studies and design along with specialised knowledge in animation and visual effects. While gaining my viewpoint on filmmaking, my commitment paid off as I got award nominations for my final project.
